HAND CLEANER WIPES

**HAND CLEANING AND MULTI-FUNCTION WIPES
NO WATER - NO SOAP - NO RESIDUE**

THE PROFESSIONAL RANGE

DESCRIPTION

This cleaning wipe is the result of an ultra-modern formula for cleaning hand. Quick and easy to use in all situations, it needs no water, rinsing, wiping or drying and leaves no residue. This cleaning wipe is the result of a combination of vegetal solvents, a very high quality detergent and an abrasive (but non-scratching) wipe with a high power cleaning action that does not harm the skin. In addition to everyday dirt, this cleaning wipe also removes tough grease, lubricants, adhesives, oils, tar, sludge, asphalt and more. It has the advantage of being classified as a cosmetic product.

FIELDS OF APPLICATION

MECHANICAL INDUSTRY - AUTOMOBILES - BOATS - BICYCLES - MOTORCYCLES - GO-KARTS

PRECAUTIONS

For professional use. Consult the MSDS (upon request only).

The information in our brochures, letters, reviews and reports is provided to advise you especially regarding testing that has been carried out, with an ongoing concern for objectivity and without any commitment on our part.
