NET'JANTES

CONCENTRATED RIM CLEANER

Does not
contain acids

THE PROFESSIONAL RANGE

TRUCKS - CARS - MOTORBIKES

DESCRIPTION

NET' JANTES is a product developed for the cleaning and restoration of varnished alloy rims, as well as PVC hubcaps.

NET'JANTES eliminates all stains of dirtiness, caused by the atmospheric pollution and brake shoe deposits.

INSTRUCTIONS

Spray **NET'JANTES** on the surface to be cleaned. Let it work 3 to 5 minutes. Then, rinse with clear water in low or high pressure. **NET'JANTES** can be used pure or diluted by 30 to 50%, according to the degree of dirtiness.

RECOMMENDATIONS

It is recommended to proceed with a preliminary test on a small surface.

Do not use on painted rims.

Product for professional use. Consult the MSDS. (only upon request)

The information in our brochures, letters, reviews and reports is provided to advise you especially regarding testing that has been carried out, with an ongoing concern for objectivity and without any commitment on our part.
