BRAKE

ECO
RESPONSIBLE

CLEANER FOR BRAKES AND CLUTCHES

THE PROFESSIONAL RANGE

DESCRIPTION

Cleaner for braking and clutch systems.

BRAKE easily removes dust, oil, grease, brake fluid and all other dirt from disks, brake pads and other brake and clutch parts.

- Highly biodegradable.
- Highly effective in removing dirt.
- Fireproof.
- Does not contain volatile organic compounds.
- **BRAKE** performance is designed with an eco-responsible approach.

INSTRUCTIONS FOR USE

- Spray **BRAKE** onto the parts to be cleaned using the multi-position aerospray head.
- Scrub, if necessary, the dirtiest parts using a small brush.
- Wipe with a cloth or blow dry. If traces remain, repeat this procedure.
- After cleaning, work the brakes before using.

BRAKE can be used with a parts washer of the type FONTAINE MOBILE.

PRECAUTIONS

For professional use. Consult the MSDS (upon request only).

The information in our brochures, letters, reviews and reports is provided to advise you especially regarding testing that has been carried out, with an ongoing concern for objectivity and without any commitment on our part.
