

SILTEC

PARBRIZ

CONCENTRATED WINDSHIELD CLEANER

THE PROFESSIONAL RANGE

DESCRIPTION

Concentrated anti-mosquito windshield cleaner, to be used in all weather depending on dilution.

Thanks to its special wetting agent, **PARBRIZ** easily melts ice and frost. It also dissolves greasy stains and other dirt.

INSTRUCTIONS

Summer dilution: for perfect cleaning of the windshield and mosquito removal, empty the 250 ml container and fill with water.

Winter dilution: Pour in the bowl:

- 20% of the concentrate for protection at -6°C.
- 50% of the concentrate for protection at -25°C.
- 80% of the concentrate for protection at -30°C.

PRECAUTIONS

Contains ethanol (less than 40%).

For professional use. Consult the MSDS (upon request only).

The information in our brochures, letters, reviews and reports is provided to advise you especially regarding testing that has been carried out, with an ongoing concern for objectivity and without any commitment on our part.

PACKAGING

Box 4 x 5 L.
