

SILTEC

VITREX

**LONG-LASTING WINDSHIELD CLEANER
ANTI-FOG - ANTI-POLLUTION PROTECTION**

THE PROFESSIONAL RANGE

DESCRIPTION

An innovative formula based on nanotechnology for cleaning and removing grease from all types of smooth surfaces such as car windshields, helmet visors, bodywork, glass, etc.

FIELDS OF APPLICATION

AUTOMOBILES - MOTORCYCLES - SPORTS COMPETITIONS - HELMET VISORS

ADVANTAGES

This formula protects your surfaces from pollution.

VITREX forms a hydrophilic layer that spreads water on the surface and prevents the formation of fog and droplets and prevents mosquitoes from sticking to the windshield.

VITREX is a long-lasting formula that reduces the cleaning frequency.

INSTRUCTIONS

Spray **VITREX** directly on the surfaces to be cleaned. Then wipe in a circular movement before the product evaporates, using a clean microfibre cloth or a lint-free cotton cloth.

PRECAUTIONS

For professional use. Consult the MSDS (upon request only).

The information in our brochures, letters, reviews and reports is provided to advise you especially regarding testing that has been carried out, with an ongoing concern for objectivity and without any commitment on our part.

PACKAGING

Box 12 x 500 ml (sprays).
Box 12 x 400 ml (aerosols).
Box 4 x 5 L.
Drums 30L-60L-210L.

**FORMULA
3 IN 1**
